**SATURDAY SEPTEMBER 28**  
**HONORING ILLUSTRIOUS SIR JERRY CHRISTMAN 33°**

Dear Nobles and Ladies,

Now is the time to make plans and reserve your spot for the Fall ceremonial. Noble Mike Meehan and the Divan invite you to attend and honor Illustrious Sir Jerry Christman 33° along with celebrating the induction of our new Nobles. Your attendance over the course of the day's activities will help us to make a strong 1st impression on our new Nobles and their Ladies. Activities planned for the Ladies will include a variety of presentations including information about our Shriners hospitals and clinics, as well our Clubs and Units.

The evening activities promise to be top notch as well as we once again honor our new Nobles with the presentation of the Arch of Steel, along with our Araba Pipe and Drum Band, and Provost Guard. Dinner will be served followed by an enjoyable evening of music and dancing.

I ask that you join me in welcoming our new Nobles and Ladies to Araba and showing them our Shrine pride and hospitality. If you have any questions, feel free to contact 1st Ceremonial Master Jeff Nowak 239-571-0935 or 2nd Ceremonial Master Mike Gendron 239-340-6499.
